PROCEEDINGS OF THE STATE ELECTION

TOWN OF PLAINVILLE

November 2, 1976

Pursuant to the foregoing Warrant the State Election was held in the Auditorium of the Beatrice Wood School, South Street, Plainville, Norfolk County, Massachusetts on Tuesday, November 2, 1976 at 6:00 A.M.

Previous to the call of the meeting the Ballot Box was inspected by

Eugene Gucwa, Warden and Marion McCabe, Clerk, found to be empty and the dial set at zero and the keys turned over to the Ballot Box Officer, Clinton E. Barton.

The following election officials were sworn into the faithful performance of their duties by Town Clerk, Kathleen M. Sandland.

Warden, Eugene Gucwa, Deputy Warden, Stanley Cole; Clerk, Marion McCabe, Deputy Clerk, Evelyn Soule; Ballot Box Officer, Clinton E. Barton, Sr.; Tellere, Violet Osterholm, Bessie Barton, Jacqueline Di-Giantommaso, Pauline Walsh and Reginald Keyes and Shirley Marcoux, Alternates.

The polls were declared officially open at 6:00 A.M. by Town Clerk, Kathleen Sandland.

At 11:10 A.M. the Ballot Box was inspected by Warden, Eugene Gucwa and Clerk, Marion McCabe, and the ballots transferred to a locked case. The count on the box at that time was 785.

At 4:30 P.M. a second ballot box was inspected by Deputy Clerk, Evelyn Soule and Warden, Eugene Gucwa, found to be empty and dial set, this was done in anticipation of later use.

At 5:00 P.M. a challenge for the right to vote was made. A sworn statement from this individual was signed and witnessed by the Town Clerk and Registrar, Helen Cobb.

At 5:10 P.M. the first ballot box was officially locked, showing the total ballots cast as 1730.

At 8:00 P.M. the polls were officially closed by Warden, Eugene Gucwa.

1730 first ballot box
717 second ballot box
77 Absent voters
Total votes cast — 2524

A physical count of the ballots showed a total of 2528; 1319 women and 1205 men, 4 n/r voters. It is assumed that discrepance was due the ballots jamming during the day.

At 9:30 P.M. the following counters were sworn into the faithful performance of their duties by the Town Clerk:

QUESTION #1 — PROPOSED AMENDMENT TO CONSTITUTION EQUAL RIGHTS

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on August 15, 1973, by a vote of 261-0, and on May 14, 1975, by a vote of 217-55?

SUMMARY

The proposed amendment would provide that equality under the law may not be denied or abridged on the basis of sex, race, color, creed or national origin. This amendment adds one sentence to Article 1 or Part the First of the Constitution which now contains a general statement of individual rights, including the right to enjoy and defend life and liberty and the right to acquire and protect property.

QUESTION #4 -- ESTABLISH A MASS. POWER AUTHORITY
LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 5, 1975, by a vote of 179-46, and on which no vote was taken by the Senate before May 7, 1975?

SUMMARY

SECTION 1 of the act inserts a new chapter 164B into the General Laws and establishes a Massachusetts Power Authority, a body corporate and politic with seven members appointed by the Governor to staggered six year terms. The Authority is to establish and operate a bulk power supply system to supply wholesale electric power to utilities throughout the Commonwealth. The primary purpose of the Authority is to supply the Commonwealth with power with the minimum adverse impact on the environment. The Authority is also authorized to engage in research and development of new sources of power, new siting techniques, and methods of environmental protection.

In carrying out its responsibilities, the Authority is authorized to adopt by-laws; adopt an official seal; maintain offices; sue and be sued; construct or acquire facilities either within or without the Commonwealth; issue revenue bonds and borrow money in anticipation of issuance of revenue bonds; acquire real and personal property; employ professional, managerial and other employees deemed necessary and fix their compensation to be paid solely out of revenues of the Authority; appear before other government agencies; apply for and receive federal or other grants of funds; and enter into contracts and agreements.

The Authority will build and operate all new generating and transmission facilities in the Commonwealth and has the option to purchase existing facilities through negotiation, condemnation, or eminent domain. After an initial two-year period, no other utility may construct a new facility unless the Authority certifies that it lacks the capability to finance the facility and the facility would further the purposes of the act.

The Authority will finance its activities by issuing revenue bonds. The bonds will be exempt from state taxation, but will not be backed by the full faith and credit of the Commonwealth. Power will be sold to other utilities by contract but no special discounts or bonuses to promote the increased use of power may be given. Public hearings are required on all major contracts.

The Authority is required to develop a master, 20-year demand study and siting plan within 18 months of its incorporation, to be updated each succeeding year. Sites will be selected in accordance with the Electric Power Facilities Siting Council Act of 1973. The Governor and the community in which any facility is to be located must affirmatively approve the facility before it can be constructed.

The Authority will be subject to all applicable federal and state environmental standards and must obtain all necessary federal and state permits and complete all necessary environmental impact statements.

The Authority will be exempt from taxation but will make payments in lieu of taxes to cities and towns in an amount equal to the tax which would be paid if the Authority's real and personal property were owned by a private electric utility company.

The Authority is forbidden from engaging in promotional or image advertising. The Authority has the authority to bargain collectively with its employees and is subject to the provisions of Chapter 150 of the General Laws, which governs the conciliation and arbitration of industrial disputes. Employees of the Authority are not subject to the civil service law and rules. Employees of utilities displaced by the activities of the Authority have first preference in employment by the Authority.

SECTION 2 of the act amends section 43 of Chapter 164 of the General Laws to provide that if a city or town votes, in accordance with the provision of Chapter 164, to establish a municipal utility and acquire the facilities of the utility currently serving the community, and the utility refuses to sell its property to the city or town, that the Department of Public Utilities will establish a fair price for the facilities, and the utility will be required to accept the price determined by the department and tender the deed for the facilities to the city or town.

QUESTION #5 — HAND GUN PROHIBITION

(This question appeared as question 5(a) in the Information For Voters booklet.)

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 3, 1976, by a vote of 197-35, and on which no vote was taken by the Senate before May 5, 1976?

SUMMARY

The proposed legislation would prohibit the possession, ownership, or sale of any weapon from which a shot or bullet can be discharged and which has a barrel length of less than sixteen inches. The prohibition would not apply to military personnel, law enforcement officers, federally licensed handgun manufacturers and wholesalers, common carriers in the ordinary course of transport, or to historical societies and museums. The act would not affect the possession of rifles, shotguns, and certain antiques and replicas. The proposal also does not change the existing statutory penalties for unlawful possession, ownership or sale of handguns, including provision imposing mandatory jail sentences.

The proposal would permit owners of handguns to surrender their weapons to any law enforcement agency in the Commonwealth within six months of the effective date of the act without incurring criminal liability. Those surrendering handguns within that six months will be compensated at a rate to be determined by the Commissioner of Public Safety.

QUESTION #6 — BOTTLE BILL

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House if Representatives on May 3, 1976, by a vote of 146-85, and on which no vote was taken by the Senate before May 5, 1976?

SUMMARY

The proposed act would require every beverage container sold or offered for sale in the Commonwealth to have a refund value of at least five (5) cents, and would prohibit the sale of metal beverage containers with flip-tops. It would apply to containers for beer and other malt beverages and to soft drinks. It would not apply to containers for dairy products or natural fruit juices, nor to containers which are biodegradable.

The act would authorize the Secretary of Environmental Affairs to certify containers as reusable or recyclable. It contains both enforcement and penalty provisions and would take effect on February 1, 1977.

QUESTION #7 — UNIFORM ELECTRIC RATE

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 3, 1976, by a vote of 182-49, and on which no vote was taken by the Senate before May 5, 1976?

SUMMARY

The proposed act would impose a general requirement that every electric utility company charge a uniform rate per kilowatt hour of electricity. The proposed act would except from this general rule rates charged to other electric utility companies and to residential customers who heat their principle place of residence by electricity. The Act would also permit a different rate to be charged residential customers for the first three hundred (300) kilowatt hours they consume each month, and would authorize "peak load" pricing whereby a higher rate than the uniform rate per kilowatt hour may be charged during the periods of the day or seasons of the year when consumption of electricity is the greatest. The Act would authorize the Department of Public Utilities to issue implementing rules and regulations and provides for enforcement.

QUESTION #8 — CONSTRUCT OIL REFINERY (not binding)

THIS QUESTION IS NOT BINDING

The following is a non-binding advisory question: "Shall the General Court enact legislation authorizing the construction of an oil refinery and a deep water port, subject to the approval of those communities directly affected and any reservations that the General Court may prescribe?"

SUMMARY

The Legislature has placed this question on the ballot in order to determine whether the people favor or oppose the construction of an oil refinery and deep water port in Massachusetts. The vote on this question is not binding on the Legislature. The questions deals with the general advisability of such construction and is not a specific proposal for a facility. If a specific proposal is made, it would be subject to approval by the communities directly affected and subject to any restrictions imposed by the Legislature.

QUESTION #9 — SUNDAY OPENING FOR STORES (not binding)

THIS QUESTION IS NOT BINDING

The following is a non-binding advisory question: "Shall retail stores including package liquor stores, so called, be allowed to open for business on Sunday?"

SUMMARY

The Legislature has placed this question on the ballot in order to determine whether the people favor or oppose the Sunday opening of certain retail stores, including package liquor stores. As the law now stands, most retail and all package liquor stores must be closed on Sundays. The vote on this question is not binding on the Legislature.

TOWN OF PLAINVILLE, MASSACHUSETTS

PROCEEDINGS OF THE SPECIAL TOWN MEETING

DECEMBER 6, 1976

Pursuant to the foregoing Warrant, the Special Town Meeting for the Town of Plainville, Norfolk County, Massachusetts, was called to order by Moderator Frank Grzenda at 7:35 P.M. in the Auditorium of the Beatrice H. Wood School, South Street, Plainville, Massachusetts. The Rev. John M. Bowmar led the meeting in the Invocation.

Bounds of the hall were declared, by the Moderator, to be the seats set up on the Auditorium floor. Anyone wishing to speak to the meeting must be within these bounds.

Tellers were appointed as follows: to the right of the Moderator, Patrice A. Giovani and Ray LaCourse; to his left, George Plante and Maurice A. Pothier. Kathleen M. Sandland, Town Clerk Ballet Box Officer in the event of a ballot vote.

Mr. Robert Root, Chairman of the Board of Selectmen moved that permission be granted to Town Counsel, John Lee and Administrative Assistant Robert Brothers, allowing them to speak to the meeting if the need should arise. Seconded by Edward Serwinski and made unanimous.

Mr. David Lomasney, Finance Committee, advised the meeting that all articles were being recommended for borrowing. Money is available by the first of January 1977 from Revenue Sharing, however, the Finance Committee and the Treasurer would like to have this money put into a reserve account to collect interest for six months, as the Treasurer would probably not need to borrow until about April or May.

ARTICLE 1. The Finance Committee recommends that Article 1 be amended to add Chief of Police — \$16,830 effective December 1, 1976. Motion by David Lomasney and seconded by Edward Serwinski. Results of standing vote: Yes 175. No 0. Unanimously voted.

ARTICLE 2. The Finance Committee recommends that the sum of \$25,000. be borrowed to fund the provisions of Article 1, as amended. Motion by Joseph DelSignore and seconded by David Lomasney. Standing vote results: Yes 178. No 0. Unanious.

ARTICLE 3. The Finance Committee recommends that the sum of \$750. be borrowed for the purchase and installation of a record system for the Police Department. Motion by Jessie Bone and seconded by John Stoddard. Standing vote results: Yes 152. No 0. Unanimous.

ARTICLE 4. The Finance Committee recommends that the sum of \$11,000. be borrowed to supplement the Police Department Expense Budget. Moved by David Lomasney and seconded by Roland Ferland. Results of standing vote: Yes 121. No. 42. Motion carried.

ARTICLE 5. The Finance Committee recommends that \$1,000. be borrowed to supplement the expenses of the Planning Board. Motion by Roland Ferland and seconded by Edward Serwinski. Results of standing vote: Yes 120. No 53. Motion carried.

ARTICLE 6. The Finance Committee recommends that \$1,500. be borrowed to supplement the expenses of the Selectmen C. & I. Account. Motion by Jessie Bono and seconded by David Lomasney. Results of standing vote: Yes 143. No 5. Motion carried.

ARTICLE 7. The Finance Committee recommends that \$3,500. be borrowed to supplement the Town Insurance Account. Motion by John Stoddard and seconded by David Lomasney. Results of standing vote: Yes 149. No 0. Unanimous.

ARTICLE 8. The Finance Committee does not recommend this article. Upon a motion by Reginald Keyes it was unanimously voted to lay this article on the table. (\$1,500. to supplement the Town Office Maintenance Account.)

ARTICLE 9. The Finance Committee recommends that the sum of \$1,600. be borrowed for the salary of a clerk for the Assessor's Office, to cover from January 1, 1977, and that the Board of Assessors make every effort to implement this position from any available State or Federal program that may apply. Motion by Roland Ferland and seconded by David Lomasney. Results of standing vote: Yes 146. No 0. Unanimous.

ARTICLE 10. The Finance Committee recommends that the Town vote to purchase a Class I Modular ambulance that will comply with all State and Federal regulations and that the sum of \$17,000. be transferred from the Ambulance Replacement Account, and that the sum of \$18,000. be borrowed for a period of not more than three (3) years, principal and interest for the borrowing to be paid annually from the anticipated ambulance replacement funds. Motion by David Lomasney and seconded by Roland Ferland.

This motion was amended by Maurice Pethier to add Class I Modular. Result of standing vote Yee 194. No 1.

At this time, 9:00 P.M. the Moderator declared a five minute recess.

Meeting reconvened at 9:05 P.M.

ARTICLE 11. The Finance Committee does not recommend this article. Motion by Reginald Keyes and seconded by Joseph DelSignore that No Action be taken on this article. Unanimously voted. (\$6,125. for Park Commissioners Expense Account.)

ARTICLE 12. The Finance Committee recommends that the sum of \$1,224.38 be borrowed for land damages on West Bacon and Messenger Streets, motion by John Stone and seconded by Joseph DelSignore. Unanimously voted.

ARTICLE 13. Motion by John Stoddard and seconded by Roland Ferland that the town vote to authorize the Selectmen to submit an application for the construction, renovation, repair or other improvements of Local Public Works Project under Public Works Employment Act of 1976 (P. L. 94-369) and to expend any monies received in accordance with said application. Unanimously voted.

ARTICLE 14. The Moderator declared he would exercise his prerogative and call for a written ballot on this article.

ARTICLE 12 cont'd.

Motion by Steven Cavicchi and seconded by Patrice Giovani that the town vote to authorize and direct the Selectmen to appoint a committee for the purpose of: To consider changing the Zoning By-Laws to regulate farm animals on residential land. Said Committee to consist of five members. Said Committee to be appointed by December 13, 1976. Said Committee shall present their recommended Zoning Changes, if any, in article form to the Selectmen for inclusion on the Warrant of the Annual Town Meeting of 1977.

Much discussion was held on this article. A motion by Robert E. Loew and seconded by Gertrude Hancock that this article be laid on the table. Result of standing vote: Yes 147. No 18.

Due to the intense discussion on this article, Reginald Keyes moved that this article be reconsidered, seconded by Patrice Giovani. Standing vote on reconsideration: Yes 19. No 129. Motion to reconsider not carried.

At 10:10 P.M. the Moderator declared the special town meeting adjourned.

The registered voters checked by Eugene Gucwa and Marion McCabe during the meeting totaled 215; 116 men and 99 women.

Plainville, Massachusetts 02762

Dec. 17, 1976

Gentlemen:

I am in receipt of a copy of a vote from your Town Clerk under Article I of the Special Town Meeting held on December 6, 1976.

It was voted to borrow \$25,000.00 to fund salaries under collective bargaining agreements. Please be advised that there is no statutory authority for borrowing for such purpose although it is pointed out that, if the Town had indicated in the Article or vote that it was an emergency appropriation or, if the action was taken under Clause (9), Section 8 of Chapter 44, General Laws, the subject could then have been referred to a Board comprised of the Attorney General, the State Treasurer, and the Director of Accounts.

My same comment would apply to other action taken at your Special Town Meeting on December 6. Borrowing authority does exist for departmental equipment but, even in this instance, under Article X, a borrowing must be a general obligation of the Town, and a condition embedded in your vote, that a borrowing of \$18,000.00 for the replacement of the ambulance be for a period of not more than three years with the maturity to be paid annually from anticipated ambulance replacement account funds, automatically invalidates the action taken.

Very truly yours,

GORDON A. MCGILL
Director of Accounts

To either of the Constables of the Town of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town Affairs, to meet at the Beatrice H. Wood Elementary School Auditorium, South Street in said Town of Plainville on:

MONDAY, JANUARY 31, 1977

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1 To see if the Town will vote to authorize the Board of Selectmen to purchase a new Class 1 Modular Ambulance, and to raise and appropriate or transfer from available funds in the Treasury the sum of \$35,000.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 2 To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow for the Police Department Salary Account, the sum of \$40,000.00 to fund changes in the Agreement between the Town of Plainville and the Plainville Police Association for fiscal 1977, or do or act in any manner relative thereto.

ARTICLE 3 To see if the Town will vote to raise, appropriate or transfer the sum of \$15,000.00 for the Removal of Snow Account, or do or act in any manner relative thereto.
(If by bonding, a $\frac{2}{3}$ vote required).

ARTICLE 4 To see if the Town will vote to amend the action appropriating \$2,050,000. taken under Article 31 of the Warrant for the 1972 Annual Town Meeting, as amended under Article 25 of the Warrant for the 1973 Annual Town Meeting, to provide an appropriation of \$1,000,000. as the local share of the sewer project authorized by said action, to authorize the borrowing of that \$1,000,000. To authorize the Board of Selectmen to apply for, accept and expend all Federal and State aid which is or may become available therefor and to take any other action related thereto. (If by borrowing, $\frac{2}{3}$ vote required).

ARTICLE 5 To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five members, none of which should currently be elected or appointed officials, for the purpose of making recommendations regarding the fixing of fair and reasonable salaries for elected and appointed Town Officials, or do or act in any manner relative thereto.

RECOUNT OF VOTES OF THE APRIL 4, 1977

ANNUAL TOWN ELECTION HELD ON APRIL 22, 1977

A recount petition and letter requesting a recount of votes for the 1977 Annual Town Election was received in the Town Clerk's Office on April 14, 1977 for the recount of Votes for Tax Collector by Normand A. Theriault. Also received in the office of Town Clerk, on April 15, 1977, a recount petition and written request by John F. Stone for a recount of the Board of Selectmen & Board of Health; both petitions met all the requirements.

The recount was scheduled for April 22, 1977 at 9:00 A.M. in the upstairs meeting hall.

The following workers were duly sworn into office of Assistant Board of Registrars for this recount only:

Republicans: Beverly Armstrong, Ruth Fulton, Dorothea Dwyer & Reginald Keyes

Democrats: Jean Mathews, Marion Reilly, Pauline Walsh and Shirley Marcoux.

Joan Clark was appointed tally clerk.

The counters were seated and given instructions. Candidates and observers were allowed to enter the room. Board of Registrars and candidates representatives inspected the Town Clerk's vault to observe ballots, unused ballots, minutes of election and ballot box, showing the figure of 1447. Ballots were brought into the room and counting began at 9:20 A.M.

Mr. Stone challenged 6 ballots; ballots were segregated and determination was made by the Board of Registrars. All six (6) votes were unanimously voted by the Board of Registrars to belong to Robert Root.

The recount was completed at 11:45 A.M., results follow:

TAX COLLECTOR

NORMAND A. THERIAULT	700
GEORGETTE M. PLANTE	726
BLANKS	21

BOARD OF SELECTMEN & HEALTH

ROBERT W. ROOT	449
RAYMOND V. MILLER	406
JOHN F. STONE	413
STANLEY WIDAK, JR.	148
BLANKS	31

Mr. Stone withdrew the protested six ballots. As a result of the recount, for Tax Collector, Mr. Theriault lost five votes and Georgette Plante gained five.

For Board of Selectmen & Health, Mr. R. Root gained one, Raymond Miller lost two, Mr. Stone gained two, and Mr. Widak gained five votes.

Respectfully submitted,

KATHLEEN M. SANDLAND, Town Clerk &
Clerk to Board of Registrars

ADJOURNED SESSION ANNUAL TOWN MEETING
TOWN OF PLAINVILLE, NORFOLK COUNTY, MASSACHUSETTS

MAY 9, 1977

The adjourned session of the Annual Town Meeting (April 11, 1977—lack of quorum) for the Town of Plainville, Norfolk County, Massachusetts, was called to order by Moderator David Lomasney at 7:40 P.M. in the auditorium of the Beatrice H. Wood School, South Street, Plainville.

The voters were checked into the hall by means of the Registrars of Voters lists and the total number of voters present was one hundred ninety-one; one hundred eleven men and eighty women.

Motion by Clarence Skinner and seconded by Father Mahoney to adjourn the meeting to the next night (May 10, 1977) because of the poor driving conditions.

Amendment by Mr. Serwinski and seconded by Father Mahoney to postpone the meeting to May 16, 1977 at 7:30 P.M.

Mr. Grzenda declared the motion and amendment illegal because the Moderator failed to set the bounds of the hall.

The bounds of the hall were declared by the Moderator to be the seats set up on the auditorium floor. Non-voters and guests to be seated in the bleachers at the Moderator's right. Tellers for the meeting were Joe Horan and Neal Avery to the Moderator's left and Patricia Giovani and Cheryl Cornell to the Moderator's right. Town Clerk Kathleen Sandland was appointed Ballot Box Officer in the event of a ballot vote. The Moderator declared that all motions were to be presented in writing.

Motion by Clarence Skinner and seconded by Father Mahoney to adjourn the meeting to May 16, 1977 at 7:30 P.M.

RESULT OF STANDING VOTE: YES—117; NO—54

Meeting adjourned at 7:50 P.M.

KATHLEEN M. SANDLAND,
Town Clerk

The adjourned session of the Annual Town Meeting was held on Monday, May 23, 1977 at the Auditorium of the Beatrice H. Wood School on South Street, Plainville, Norfolk County, Massachusetts.

The start of the meeting was delayed to allow time for the presentation of the Senior Citizens' Mini Bus. Presentation was made by Rev. David Hoyt, Chairman of the Council on Aging and Mrs. Rose Tremblay. Accepting for the Town was Selectman Edward Serwinski.

The meeting was called to order at 7:40 by Moderator David Lomasey. There was a total of 160 voters checked in — 94 men and 66 women.

Bounds of the hall for voting purposes were declared to be the seats set up in the auditorium. All other persons were to be seated in the bleachers.

Counters to the Moderator's right were Patrice Giovanoni and Patricia Walls; to the Moderator's left, Sandra O'Neil and Walter Edwards.

Ballot Box Officer in case of a ballot vote — Mrs. Kathleen Sandland.

W A R R A N T
FOR A SPECIAL TOWN MEETING

Monday, June 13, 1977

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

Greetings:

To either of the Constables of the Town of Plainville:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in election and Town affairs to meet at the Beatrice H. Wood Elementary School Auditorium, South Street in said Town of Plainville on

MONDAY, JUNE 13, 1977

at 7:30 P.M., for the purpose of amending the By-Laws of the Town and such other business as may lawfully come before the meeting, then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to change the Town By-Laws, Chapter 1, Section 1.1A by striking out "One Town Clerk and three Constables", or do or act in any manner relative thereto.

(2/3 vote required)

ARTICLE 2. To see if the Town will vote to change the Town By-Laws, Chapter 1, Section 1.1B by adding: One Town Clerk, and one Constable for a term of three years, one for a term of two years and one for a term of one year and thereafter each one for a term of three years as the previous term expires. One Moderator in 1978 for a term of one year and thereafter for a term of three years, or do or act in any manner relative thereto.

(2/3 Vote Required)

ARTICLE 3. To see if the Town will vote to change the Town By-Law, Chapter I, Section 2.5 by striking therefrom the words "Cushing's Manual of Parliamentary Practice, so far as they may be adopted to the circumstances and powers of the Town of Plainville", and inserting in lieu thereof the words "Town Meeting Time", or do or act in any manner relative thereto.

(2/3 Vote Required)

ARTICLE 4. To see if the Town will vote to change the Town By-Law, Chapter I, Section 4.3B by striking out "and a copy of the Warrant for the Annual Town Meeting for the ensuing year". (2/3 Vote Required)

ARTICLE 5. To see if the Town will vote to change the Town By-Law, Chapter I, Section 4.3B by adding a new paragraph H to read as follows:

H. The Board of Selectmen shall print, at the expense of the Town, the Annual and Special Town Meeting Warrants in sufficient quantity for the Town voting inhabitants and convey said Warrants to the Townspeople in accordance with Chapter I, Section 2.2 and make them available in the Town Offices seven days before the day of said meeting, or do or act in any manner relative thereto. (¾ Vote Required)

ARTICLE 6. To see if the Town will vote to change the Town By-Law, Chapter I, Section 4.4 by striking out the words "at least by January 15 previous to the Annual Town Meeting" and inserting in lieu thereof the words "by August 15 following the close of the fiscal year, and the Board of Selectmen shall print these reports in accordance with Chapter I, Section 4.3 and make available to the Townspeople by November 1 following the close of the fiscal year, or do or act in any manner relative thereto". (¾ Vote Required)

ARTICLE 7. To see if the Town will vote to amend the Zoning By-Laws as follows:

3.8 Earth Removal Regulations. For the purpose of this By-Law "earth" shall include soil, loam, sand, gravel, stone or any other earth material, and "removal" shall include the moving of earth from one location to another location within the boundaries of a lot or tract of land as well as the moving of earth off any said lot or tract of land.

A. Permit Required. No earth, except as is otherwise provided herein, shall be removed from any parcel of land in any district in the Town without a special permit from the Board of Appeals.

B. Exemptions. The removal of earth material in any of the following operations shall be exempt from the provisions of this section.

(1) The removal of earth material for basement and septic system excavation.

(2) The removal of earth material, exclusive of basement and septic excavation, necessary to complete a subdivision proposal, provided said removal does not exceed five hundred (500) cubic yards.

(3) The removal of earth material, exclusive of basement and septic system excavation, for a single lot development, provided said material does not exceed one hundred fifty (150) cubic yards.

(4) Removal of earth material from an operating farm, nursery, golf course, cemetery, or other similar use, to the extent that such removal is necessary for the operation of the same.

(5) Removal of earth material for maintenance of streets, public utilities and for other public purposes which would not require mining operations by or on behalf of any Department of the Town.

C. Standards for Granting Permit. No permit for the removal of earth shall be granted unless the Board of Appeals shall find that the proposed earth removal operation shall not be contrary to the best interest of the Town. For this purpose a removal operation shall be con-

sidered contrary to the best interests of the Town which: (a) will be injurious or dangerous to the public health or safety; (b) will produce noise, dust, or other effects observable at the lot lines in amounts seriously objectionable or detrimental to the normal use of adjacent property; (c) will result in a change in topography and cover which will be disadvantageous to the most appropriate use of the land on which the operation is conducted; or (d) will have a material adverse effect on the health or safety of persons living in the neighborhood or on the use or amenities of adjacent land.

D. Permits in Proposed Subdivision. Approval of a preliminary or a definitive plan by the Planning Board under the subdivision control law shall not be construed as authorizing the removal of earth from the land included in the subdivision plan, except in accordance with the provisions of this By-Law. Removal of earth from any such land shall be allowed only in the same manner as removal from other parcels of land in the Town.

E. Required Site Plan. Each application for a permit for earth removal shall be accompanied by a site plan prepared by a registered engineer or a registered land surveyor, at a scale of eighty (80) feet to the inch or larger, indicating the following:

(1) Property lines, abutting owners of record, and buildings or other structures within fifty (50) feet of site boundaries.

(2) Unique features of the area which may be affected by earth removal operations, such as landmarks, exposed ledges of geographical significance, and control points and bench marks used in triangulation and topographical surveying.

(3) Adjacent public streets and private ways.

(4) Topographic mapping showing existing contours at intervals of not more than two (2) feet and contours of finish grade after the conclusion of the operation.

(5) Proper provision for safe and adequate water supply and sanitary sewerage and for temporary and permanent drainage on the site.

(6) Proper provision for vehicular traffic and control of entrance and exits to public streets and private ways.

(7) Delineation of fence locations.

(8) A separate key sketch at a scale of one inch equals two thousand feet (1" = 2,000') with proposed earth removal site shaded to show relation of the surrounding road networks shall be shown on the plan. North points of the plan and key sketch shall be in the same direction.

F. Referral to Planning Board and Others. Upon receipt of the application for a permit, the Board of Appeals shall refer copies of the application and the site plan to the Planning Board, the Board of Health and the Conservation Commission for advisory reports. The Board of Appeals shall not take final action on such application until it has received reports thereon from the Planning Board, the Board of Health and the Conservation Commission or until thirty-five (35) days have expired from said

referral date without the receipt by the Board of Appeals of such reports.

G. Conditions of Permit. In granting a permit for earth removal hereunder, the Board of Appeals shall impose reasonable conditions governing the removal operation. Such conditions shall include, but not be limited to the following:

(1) Removal operations shall not be conducted closer than One Hundred (100) feet to a public street or private way or to any adjoining property line, unless otherwise specifically provided for by the Board of Appeals.

(2) Hours of operation shall be designated by the Board of Appeals.

(3) Routes of transportation of material shall be designated.

(4) Adequate provision shall be made for drainage during and after completion of operations.

(5) Lateral support shall be maintained for all adequate properties, and no banks shall be left after completion of operations with a slope which exceeds one (1) foot of vertical rise in two (2) feet of horizontal distance.

(6) Maximum depth of any and all excavation shall at all times be at least four (4) feet above the maximum ground water elevation.

(7) Off-street parking shall be provided.

(8) Any access to an excavated area or areas shall be adequately posted with "KEEP OUT — DANGER" signs.

(9) During operations, any excavation, quarry, bank or work face having a depth of ten (10) feet or more and/or creating a slope of more than thirty (30) degrees downward shall be fenced. Such fence shall be located ten (10) feet or more from the edge of said excavation and shall be at least six (6) feet in height.

(10) Provision shall be made for the adequate control of dust during operations.

(11) Topsoil and loam from the site shall be stockpiled on the property and, as operations proceed, areas brought to grade shall be covered with at least four (4) inches of topsoil and/or loam and seeded with a perennial cover crop, reseeded as necessary to assure uniform growth and soil surface stabilization.

(12) All tree stumps, boulders and other residual material shall be disposed of off the site, unless otherwise specifically provided by the Board of Appeals.

H. Period of Permit. Any permit granted for earth removal shall be for a period not to exceed one (1) year. For a continuation of an operation beyond the period designated in the initial permit, a new application must be made and a new permit granted in the same manner as for the initial permit, except that the Board of Appeals may waive requirements for the submittal of a site plan. Such waiver must be granted in writing to the applicant by the Board of Appeals. All other provisions relating to

operational standards and permit procedures shall apply. The fee for any permit issued for earth removal hereunder shall be twenty-five (\$25.00) dollars.

I. Performance Bond. The Board of Appeals shall require that a performance bond of a surety company authorized to do business in the Commonwealth of Massachusetts be posted in an amount determined by the Board of Appeals as sufficient to guarantee conformity with the provisions of any permit issued hereunder. Such bond shall not be released until there is filed with the Board of Appeals a certification from a registered engineer and an approval from the Superintendent of Public Works that the site conditions at the completion of all work are in accordance with the requirements of the permit.

J. Existing Operations. Any earth removal operation which is being lawfully conducted on any premises on the effective date of this By-Law without a permit from the Board of Appeals may continue to be conducted until it is abandoned, but said earth removal operation shall not be extended. Discontinuance of such operation for more than twelve (12) consecutive months shall be deemed to constitute abandonment. For the purpose of this section, the abandonment period shall not be broken by temporary operation except when such operation is for a period of at least sixty (60) consecutive days. Any earth removal operation being conducted under a permit issued by the Board of Appeals prior to the effective date of this amendment may continue until the expiration of said permit.

K. Procurement, Storage or Stockpiling. The procurement, storage or stockpiling of earth upon private property, which is intended for public sale and use elsewhere and which requires the operation of mechanical or power equipment in loading or unloading, shall fall within the jurisdiction of this By-Law and shall be governed by its provisions.

L. Penalty for Violation. A person who shall violate any provision of this By-Law may upon conviction be affixed a penalty in an amount not to exceed one hundred (\$100.00) dollars for each offense. Each day, or portion of a day, that any violation continues shall constitute a separate offense.

or do or act in any manner relative thereto (¾ vote required)

ARTICLE 8. To see if the Town will appropriate \$295,000 for engineering services and other incidental costs, to prepare construction drawings and specifications for the construction of wastewater facilities as outlined in the "Intermediate Construction Phase" of the Town's April 1977 facilities planning report; \$12,000 of which is to be raised by borrowing, transfer from available funds or otherwise and by authorizing the Town to borrow the remaining \$283,000 under Chapter 44 of the General Laws of the Commonwealth of Massachusetts in anticipation of a State and EPA grant and reimbursement (estimated to be \$283,000) in order to make monthly payments for engineering services; and further, to au-

thorize the Board of Selectmen to apply for and spend such State and Federal grants and reimbursements or take any other action relative thereto. (If by borrowing, $\frac{2}{3}$ vote required)

ARTICLE 9. To see if the Town will vote to install street lights at the following locations, and raise and appropriate a sum of money to pay for same:

- 2 Street Lights on Pineland Drive
- 1 Street Light on Fales Road

or do or act in any manner relative thereto.

ARTICLE 10. To see if the Town will vote to accept the street known as Treasure Island Road. (A Petitioned Article).

ARTICLE 11. To see if the Town will vote to transfer from Anti-Recession Revenue Sharing Funds the sum of \$1,000.00 to be expended by the Police Department for the purpose of Driver Training Courses, or do or act in any manner relative thereto.

ARTICLE 12. To see if the Town will vote to rescind the balance of Authorized Loans voted March 18, 1970 (Article 22) — Highway, \$2,400.00 and August 7, 1972, (Article 3) — Land Taking, \$600.00, or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be expended under the direction of the Tree Warden for the purpose of removing brush and other debris from Town Property, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to transfer from Anti-Recession Revenue Sharing Funds the sum of \$750.00 to be expended by the Park Department, for the purpose of building maintenance or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to transfer from Anti-Recession Revenue Sharing Funds, the sum of \$5,000.00 to be expended under the direction of the Board of Selectmen, for the purpose of Town Office Maintenance, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to transfer from Anti-Recession Revenue Sharing Funds, the sum of \$3,000.00 to be expended under the direction of the Board of Selectmen, for the purpose of purchasing equipment for the Selectmen's Office, or do or act in any manner relative thereto.

MOTION CARRIED

(4) Removal of earth material from an operating farm, nursery, golf course, cemetery, or other similar use, to the extent that such removal is necessary for the operation of same.

(5) Motion amended by James Goldberg, seconded by Dag Hultgreen to read as follows: Removal of earth material, provided said material does not exceed five hundred (500) cubic yards, for maintenance of streets, public utilities and for other public purposes which would not require mining operations by or on behalf of any department of the Town. Result of vote — YES 54 NO 37

MOTION CARRIED

C. STANDARDS FOR GRANTING PERMIT. No permit for the removal of earth shall be granted unless the Board of Appeals shall find that the proposed earth removal operation shall not be contrary to the best interests of the Town. For this purpose a removal operation shall be considered contrary to the best interests of the Town which: (a) will be injurious or dangerous to the public health or safety; (b) will produce noise, dust or other effects observable at the lot lines in amounts seriously objectionable or detrimental to the normal use of adjacent property; (c) will result in a change in topography and cover which will be disadvantageous to the most appropriate use of the land on which the operation is conducted; or (d) will have a material adverse effect on the health or safety of persons living in the neighborhood or on the use or amenities of adjacent land.

D. PERMITS IN PROPOSED SUBDIVISION. Approval of a preliminary or a definitive plan by the Planning Board under the subdivision control law shall not be construed as authorizing the removal of earth from the land included in the subdivision plan, except in accordance with the provisions of this By-Law. Removal of earth from any such land shall be allowed only in the same manner as removal from other parcels of land in the Town.

E. REQUIRED SITE PLAN. Motion by James Goldberg, seconded by Dag Hultgreen to amend Item E "Required Site Plan" to read as follows: The requirement of a site plan for the removal of earth from one location to another location within the boundaries of a single lot may be waived at the discretion of the Board of Appeals after an on-site inspection. In all cases where the Board of Appeals does not waive the requirement and for every other application for a permit for earth removal,

each application shall be accompanied by a site plan prepared by a registered engineer or a registered land surveyor, at a scale of eighty (80) feet to the inch or larger, including the following:

(1) Property lines, abutting owners of record, and buildings or other structures within fifty (50 feet of site boundaries).

(2) Unique features of the area which may be affected by earth removal operations, such as landmarks, exposed ledges of geological significance, and control points and bench marks used in triangulation and topographical surveying.

(3) Adjacent public streets and private ways.

(4) Topographical mapping showing existing contours at intervals of not more than two (2) feet and contours of finish grade after the conclusion of the operation. (Amended by R. Loew, but amendment withdrawn)

(5) Proper provision for safe and adequate water supply and sanitary sewerage and for temporary and permanent drainage on the site.

(6) Proper provision for vehicular traffic and control of entrance and exits to public streets and private ways.

(7) Delineation of fence locations.

(8) A separate key sketch at a scale of one inch equals two thousand feet ($1'' = 2,000'$) with proposed earth removal site shaded to show relation of the surrounding road networks shall be shown on the plan. North points of the plan and key sketch shall be in the same direction.

F. REFERRAL TO PLANNING BOARD AND OTHERS. Upon receipt of the application for a permit, the Board of Appeals shall refer copies of the application and the site plan to the Planning Board, the Board of Health and the Conservation Commission for advisory reports. The Board of Appeals shall not take final action on such application until it has received reports thereon from the Planning Board, the Board of Health and the Conservation Commission or until thirty-five (35) days have expired from said referral date without the receipt by the Board of Appeals of such reports.

G. CONDITIONS OF PERMIT. In granting a permit for earth removal hereunder, the Board of Appeals shall impose reasonable conditions governing the removal operation. Such conditions shall include, but not be limited to the following:

(1) Removal operations shall not be conducted closer than One Hundred (100) feet to a public street or private way or to any adjoining property line, unless otherwise specifically provided for by the Board of Appeals.

(2) Hours of operation shall be designated by the Board of Appeals.

(3) Routes of transportation of material shall be designated.

(4) Adequate provision shall be made for drainage during and after completion of operations.

(5) Lateral support shall be maintained for all adjacent properties, and no banks shall be left after completion of operations with a slope which exceeds one (1) foot of vertical rise in two (2) feet of horizontal distance.

(6) Maximum depth of any and all excavation shall at all times be at least four (4) feet above the maximum ground water elevation.

(7) Off-Street parking shall be provided.

(8) Any access to an excavated area or areas shall be adequately posted with "KEEP OUT — DANGER" signs.

(9) During operations, any excavation, quarry, bank or work face having a depth of ten (10) feet or more and/or creating a slope of more than thirty (30) degrees downward shall be fenced. Such fence shall be located ten (10) feet or more from the edge of said excavation and shall be at least six (6) feet in height.

(10) Provision shall be made for the adequate control of dust during operations.

(11) Topsoil and loam from the site shall be stockpiled on the property and, as operations proceed, areas brought to grade shall be covered with at least four (4) inches of topsoil and/or loam and seeded with a perennial cover crop, reseeded as necessary to assure uniform growth and soil surface stabilization.

(12) Amended motion by James Goldberg, seconded by Dag Hultgreen — All tree stumps, boulders and other residual material shall be buried on site or disposed of off the site, unless otherwise specifically provided by the Board of Appeals. AMENDED MOTION CARRIED

H. PERIOD OF PERMIT. Any permit granted for earth removal shall be for a period not to exceed one (1) year. For a continuation of an operation beyond the period designated in the initial permit, a new application must be made and a new permit granted in the same manner as for the initial permit, except that the Board of Appeals may waive requirements for the submittal of a site plan. Such waiver must be granted in writing to the applicant by the Board of Appeals. All other provisions relating to operational standards and permit procedures shall apply. The fee for any permit issued for earth removal hereunder shall be twenty-five (\$25.00) dollars.

I. PERFORMANCE BOND. Amended motion made by James Goldberg, seconded by Dag Hultgreen — The Board of Appeals shall require that a performance bond of a surety company authorized to do business in the Commonwealth of Massachusetts be posted in an amount determined by the Board of Appeals as sufficient to guarantee conformity with the provisions of any permit issued hereunder. Such bond shall not be released until there is filed with the Board of Appeals a certification from a registered engineer and an approval from the Superintendent of

Public Works and the Planning Board that the site conditions at the completion of all work are in accordance with the requirements of the permit.

AMENDED MOTION CARRIED

J. EXISTING OPERATIONS. Any earth removal operation which is being lawfully conducted on any premises on the effective date of this By-Law without a permit from the Board of Appeals may continue to be conducted until it is abandoned, but said earth removal operation shall not be extended. Discontinuance of such operation for more than twelve (12) consecutive months shall be deemed to constitute abandonment. For the purpose of this section, the abandonment period shall not be broken by temporary operation except when such operation is for a period of at least sixty (60) consecutive days. Any earth removal operation being conducted under a permit issued by the Board of Appeals prior to the effective date of this amendment may continue until the expiration of said permit.

Motion made by Clarence Skinner, Jr., seconded by Jacqueline Stoddard, to amend this section by inserting the word "working" between sixty and consecutive. Attorney Lee explained that he did not feel this change was necessary.

AMENDED MOTION LOST

Motion made by Robert Spitler, seconded by Joseph DelSignore to amend this section by inserting the words "working" between sixty and consecutive, and adding the words "excluding Sunday" after days. Once again Attorney Lee expressed the opinion that the change was not necessary.

AMENDED MOTION LOST

Section J — Performance Bond

PASSED AS PRINTED IN WARRANT

K. PROCUREMENT, STORAGE OR STOCKPILING. The procurement, storage or stockpiling of earth upon private property, which is intended for public sale and use elsewhere and which requires the operation of mechanical or power equipment in loading or unloading, shall fall within the jurisdiction of this By-Law and shall be governed by its provisions.

L. PENALTY FOR VIOLATION. A person who shall violate any provision of this By-Law may upon conviction be affixed a penalty in an amount not to exceed one hundred (\$100.00) dollars for each offense. Each day, or portion of a day, that any violation continues shall constitute a separate offense.

($\frac{2}{3}$ vote required)

Due to the scope and importance of Article 7, the Moderator called for a ballot vote. Town Clerk Kathleen Sandland was ballot box officer as appointed at the start of this meeting.

A ten minute recess was declared at 9:44 while ballots were distributed and cast, and the meeting reconvened at 9:54.

Result of vote on Article 7, Yes—85, No—16. This being over the required two thirds vote, ARTICLE 7 PASSED WITH AMENDMENTS AS SHOWN.

ARTICLE 8. Motion made by Joseph DelSignore, seconded by Everett Skinner, the Finance Committee recommends and I so move that the Town vote to appropriate \$295,000 for engineering services and other incidental costs, to prepare construction drawings and specifications for the construction of wastewater facilities as outlined in the "Intermediate Construction Phase" of the Town's April 1977 facilities planning report; \$12,000 of which is to be raised by borrowing, and by authorizing the Town to borrow the remaining \$283,000 under Chapter 44 of the General Laws of the Commonwealth of Massachusetts in anticipation of a State and EPA grant and reimbursement (estimated to be \$283,000) in order to make monthly payments for engineering services; and further, to authorize the Board of Selectmen to apply for and spend such State and Federal grants and reimbursements. (¾ vote required)

Result of vote, Yes—73, No—0.

MOTION CARRIED

ARTICLE 9. Motion by Jessie Bono, seconded by Edward Serwinski, the Finance Committee recommends and I so move that the Town vote to install street lights at the following locations, and raise and appropriate a sum of money to pay for same:

- 2 street lights on Pineland Drive
- 1 street light on Fales Road

There followed a discussion as to whether or not money for this expenditure would be available.

MOTION CARRIED

ARTICLE 10. Motion made by Mr. Margeson, seconded by Mr. Atkins that the Town vote to accept the street known as Treasure Island Road.

Attorney Lee stated that in his opinion the acceptance of this street would not be legal regardless of the vote, since it does not meet the By-Law requirement for acceptance.

MOTION LOST

Motion made by Edward Serwinski, seconded by Robert Root to change the order of business to take up Article 17 next. **SO VOTED**

Joseph DelSignore called for a quorum count at 10:17. Count showed there to be sixty three persons present.

ARTICLE 17. Motion made by Joseph DelSignore, seconded by Robert Spitler, the Finance Committee recommends and I so move that the sum of \$8,615. be transferred from Anti-recession Revenue Sharing Funds to be expended under the direction of the Fire Department incurred for fire alarm replacement related expenses due to storm damage on May 9, 1977.

Motion made by Edward Serwinski, seconded by Robert Root that the Town vote to amend the motion as follows: that the town vote to take no action on this article.

AMENDMENT LOST

The original motion as made by Mr. DelSignore

CARRIED.

ARTICLE 11. Statement made by Robert Lowe, seconded by Joseph DelSignore that the Finance Committee does not recommend this article.

Motion made by Walter Sandland, seconded by Robert Spitler to (raise and appropriate) the sum of \$1080.00 to be expended by the Police Department for the purpose of a driver training course.

Chief Sandland spoke on his reasons for requesting this article.

Upon being informed that money could not be raised and appropriated for the current year as the tax has been set, Chief Sandland amended his motion, striking out the words "raise & appropriate" and inserting in their place the words "transfer from overlay surplus". Motion was seconded by Edward Serwinski.

Attorney Lee pointed out that it is illegal to transfer an amount in excess of the amount printed in the warrant, so the amendment was amended by Chief Sandland and seconded by Robert Spitler, to change the amount of transfer to \$1000. The chair called for a standing vote on the amendment to the amendment. Result of vote YES 21 NO 27

AMENDMENT TO AMENDMENT LOST

ARTICLE 12. Motion made by Robert Spitler, seconded by Everett Skinner, The Finance Committee recommends and I so move to rescind the balances of authorized loans voted March 18, 1970 (Article 22) Highway \$2400 and August 7, 1972 (Article 3) in land taking \$600. . .

MOTION CARRIED

ARTICLE 13. Statement made by Robert Giovanoni seconded by Jessie Bono, that the Finance Committee does not recommend Article 13. Chair ruled no action.

Motion made by Edward Serwinski, seconded by Dag Hultgreen to accept Article 13 as printed but strike out "raise and appropriate" and insert in place "transfer from Revenue Sharing. MOTION LOST

ARTICLE 14. Motion made by Robert Spitler, seconded by Joseph DelSignore, the Finance Committee recommends and I so move that the Town vote to transfer from Anti-recession Revenue Sharing Funds the sum of \$116 to be expended by the Park Department for the purpose of building maintenance.

MOTION CARRIED

ARTICLE 15. Motion made by Jessie Bono, seconded by Robert Spitler, The Finance Committee recommends and I so move that the Town vote to transfer from Anti-recession Revenue Sharing Funds the sum of \$1,100 to be expended for the purpose of repairs to the town office heating system.

Motion was made by Edward Serwinski, seconded by Robert Root, I move to amend the motion as follows — I move that the town vote to transfer from Overlay Surplus the sum of \$4000. & from Anti-Recession Revenue Sharing Funds the sum of \$1000. to be expended under the dir-

ection of the Board of Selectmen for the purpose of town office maintenance. The amendment was DEFEATED.

Original motion by Mrs. Bono

CARRIED

ARTICLE 16. The Finance Committee does not recommend this article.

Motion by Robert Loew, seconded by Robert Spitler that no action be taken on this article. MOTION CARRIED

ARTICLE 17. Discussed earlier.

ARTICLE 18. Motion made by Walter Sandland, seconded by Edward Serwinski that Article 18 be accepted as written. MOTION CARRIED

Motion to adjourn the meeting was made by Frank Grzenda, seconded by Joseph DelSignore. MOTION CARRIED

Moderator adjourned the meeting at 11:06 P.M.

Annual Reports
of the
TOWN ELECTED
and
APPOINTED OFFICERS
TOWN OF PLAINVILLE
MASSACHUSETTS

FOR THE YEAR ENDING JUNE 30, 1977

REPORT OF THE BOARD OF SELECTMEN AND BOARD OF HEALTH

To the Citizens of Plainville:

Again this year, due to the close relationship of the two boards, we will submit a combined report for the Fiscal Year ending June 30, 1977.

At the Town Election in April, Robert W. Root was re-elected to a three year term.

Our Monday night meetings have all been open to the public and were properly posted with the Town Clerk.

The usual consideration was given to the renewal issuance of licenses and permits, and our Sanitary Inspector and Building Inspector have served quite satisfactorily in advising us on these matters.

Mrs. Joan Clarke was appointed part time clerk to the Board of Selectmen in July, replacing Mrs. Ruth Parker who resigned at this time.

Mr. Robert H. Brothers was appointed to a three year term as Administrative Assistant/Town Accountant, duties to commence as of August 2, 1976 to replace Mr. George Glaiel who resigned to take another position.

In July the ambulance rates were increased to \$25.00 for residents and \$40.00 for non-residents to Sturdy and Pondville Hospitals. Rates to other hospitals were increased accordingly at the same time.

The Selectmen were informed in October of a judgment declared against the Town in favor of Scanzilli Inc. in the amount of \$13,189.56 plus \$90.86 in interest. This judgment was paid by the Treasurer out of available funds.

The Selectmen were also informed of a judgment in favor of the King Philip Regional School Committee in the amount of \$18,296.08, and this will be paid by the Treasurer.

In October the Town received \$1000.00 from the State toward the purchase of a new radio for the ambulance.

Several meetings were held with representatives from Foxboro to discuss future plans at the Sanitary Landfill Site. One major complaint

was papers and debris blowing across town lines and onto adjoining property, and this was investigated and corrected to the satisfaction of all parties concerned.

Flu clinics were held jointly with North Attleboro and Mansfield several times during the year to assure that all residents who wished to receive a flu shot would have an opportunity to do so.

The percolation season was established as open from November 15, 1976 to May 15, 1977, per the request of Mr. Russell Kenney, the Town Sanitary Engineer.

A Grant from HUD in the amount of \$20,000. was approved as of October 14, 1976, and these funds must be expended within one year. The grant will be used to correct a serious water problem in the Harvard, Grant & Robin Street area. Mr. Everett Skinner, Highway Superintendent requested that all monies be spent for materials and that labor be provided by Town Employees, in order to install drainage over a larger area. This was approved by the Board, and construction will begin as soon as weather permits.

On May 10, 1977, a State of Emergency was declared by the Board at the request of the Fire Chief, due to the damage left after a severe, unseasonable snow and ice storm. The damage was primarily concerned with broken wires and fallen trees. Wires were replaced and fallen trees and branches cleaned up by the Fire and Highway Departments over a period of several weeks.

In summary this has been a very active and successful year, and we wish to thank all who helped in any way to make our job a little easier, with special thanks to the Town Office Staff and the citizens of Plainville.

Respectfully submitted,

RAY P. FELIX, Chairman

EDWARD S. SERWINSKI

ASSESSORS' REPORT FOR 1977

To the Honorable Board of Selectmen:

Gentlemen:

The Board of Assessors is pleased to report that revaluation of the Town of Plainville has been completed as ordered by the Department of Corporations and Taxation.

The Board has accepted the valuation figures submitted by CBM Services for Government, Inc. of Cleveland, Ohio after making certain changes to better reflect local conditions. It is the hope of this Board that over the succeeding years it will be able to keep valuations in town at figures that reflect true market value and to distribute fairly the burden of Real Estate Taxes to all taxpayers.

The new valuation of the town has increased to \$78,130,020.00, an increase of \$68,048,800.00 over last year. This increase has resulted in a Tax Rate of \$29.70 compared to last year's Rate of \$174.00.

The Plainville Bicentennial Committee officially ended December 31, 1976. But whereas the Cemetery Committee and the Flag Pole Committee had not completed their work the Selectmen were requested to reappoint the members of these two committees plus the General Chairman, Secretary, Treasurer for six months more so that their work might be completed by Memorial Day 1977. This request was granted.

The Cemetery Committee installed markers on all the documented graves of the Veterans of the War of 1776 with the soldiers' names on each marker. There were thirteen in the Shepardsville Cemetery, eleven in the Old South Burial Ground and one in the Plainville Cemetery. Recognition was made of this during the Memorial Day Program, 1977. A roll call was made of each Veteran buried there and a 1776 Flag was placed on each of these graves.

Although the monuments were ready, the May 9th storm made it impossible for us to place the Flag Poles. On Veterans Day, November 11, 1977 the Flag Poles and Monuments were dedicated by a special program in each of the Cemeteries. On the monuments was inscribed "In memory of those who served our Country with honor and valor". Veterans of World War I, World War II and Vietnam took part in this program with the members of the committee and fellow townspeople.

REPORT OF THE BUILDING INSPECTOR

To the Honorable Board of Selectmen:

Gentlemen:

I submit herewith my report as Building Inspector for the Town of Plainville for the year ending June 30, 1977.

The following permits were issued at an estimated total of \$2,506,365. and fees collected totaled \$3,696.50.

6 Apartment Buildings	210,000.
7 New Commercial & Industrial Buildings	655,000.
32 Mobile Homes	784,000.
9 Alterations or Additions to Dwellings	113,300.
7 Commercial Alterations or Additions	114,575.
21 Miscellaneous Permits—Barns, Garages, Pools, etc.	34,590.

It has been my pleasure to serve as Building Inspector for the Town and I wish to thank the Board of Selectmen, all other Town Officials, Townspeople and Contractors for their co-operation during the past year.

I want to give a special thank you to Harold Meyer for his assistance and availability when I had to be out of Town.

Appropriation, July 1, 1976	\$3,400.00
Salary	3,000.00
Expenses	400.00
Balance, June 30, 1977	.00

Respectfully submitted,

WARREN F. PAGLARI

REPORT OF THE DIRECTOR OF CIVIL DEFENSE

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit my report as Civil Defense Director for the year ending December 31, 1977.

During this past year, we were called upon a number of times to stand by for emergencies such as: high winds, rain and snow storms. This year, we did have a major snow storm in May, which we were able to handle with the cooperation of all persons involved.

We wish to express our sincere thanks to the Board and all other Municipal Departments for their cooperation throughout this past year.

Respectfully submitted,

DANIEL H. HUNT

Civil Defense Director

REPORT OF THE HOUSING AUTHORITY

To the Honorable Board of Selectmen:

We submit herewith our report for the year ending December 31, 1977.

There were no major projects undertaken during the year.

There were four vacancies during the year which were filled from our waiting list.

We would like to express our thanks to the Plainville Lions Club for their kindness at Xmas and to the Police, Fire and Highway Departments for their continued cooperation year after year.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Plainville School Committee:

It is with pleasure that I submit this fourth annual report to you as Superintendent of Schools.

Enrollment

The enrollment figures continue to show a slight downward trend, and projections indicate that this trend will continue unless we have a major home building situation.

Personnel

During this year there was a major turnover in our school personnel, especially considering the size of the district.

Those permanently employed individuals who have left our school system are as follows:

1. Mrs. Doris Rae — Grade 5 Reading — relocation
2. Miss Lillian Ardrey — Grade 3 — retirement
3. Mr. Maurice Benson — Grade 5 Social Studies — relocation
4. Mr. Charles Stephenson — Grade 5 Resource — relocation
5. Mrs. Ruth Carpenter — Grade 6 Reading — deceased
6. Mr. William Cooney — Head Custodian

New additions to our staff are as follows:

1. Mr. Chet Orlando — Grade 5 Reading
2. Miss Kathy Moran — Resource Teacher
3. Mrs. Beth Annino — Grade 3
4. Miss Margaret Sullivan — Grade 6 Reading
5. Mr. Eugene Senior — Head Custodian

We are sorry to lose these valued and dedicated individuals, but feel confident that they have been replaced with competent and dedicated people.

RUTH CARPENTER

During 1977 the Plainville Public Schools were deeply saddened by the loss of an outstanding contributor to the educational program.

Ruth Carpenter taught in Plainville for approximately eighteen years, and during that time she greatly influenced the lives of the children who attended our elementary schools. She will long be remembered as a firm and exacting teacher, who continually challenged the children to do their best. On the other hand, she was a very understanding person, who constantly employed a kind and patient approach.

Mrs. Carpenter, along with her family, had lived in Plainville for most of her life so her passing will be greatly felt by not only the schools but the entire community as well.

CHAPTER 766

Services to handicapped children were maintained and expanded during 1977. The position of Home Counselor was added to our program under a federal grant, shared with Norfolk and Wrentham.

Some of our children have been receiving services through the BICO Collaborative with which we have now been involved for the past two years. We hope to continue to provide educational programs which are appropriate for all of our children considered to be special needs, and I feel strongly that we are doing a good job in this area.

CURRICULUM

Most of the curriculum development will be included in Mr. Cashman's report, but I would like to make the following observations.

The Kindergarten program was revised during 1977 with the emphasis on developmental centers as opposed to the more traditional structured readiness approach. A teacher-aide was added to the staff in order to implement this more complex approach.

The reading curriculum study group, initiated under the direction of Mrs Ruth Carpenter and now being led by Miss Anne Sullivan, spent much time evaluating the reading program, and during 1978 many of their recommendations will be implemented.

We are well aware of the disillusionment at all levels by many who feel that the children now graduating from high school have serious deficiencies in the "basic" areas. There are many factors involved with this that need very close scrutiny in the years to come. At the elementary level, we will be striving to provide a foundation by building a basic skill mastery attainment by the children, which will allow them to progress satisfactorily at the higher levels.

REGIONALIZATION

During late 1976 and early 1977, there were several meetings with the State Department and the other members communities in the region, to consider the possibility of making the entire King Philip district into one school system, Grades K-12. After lengthy deliberation of the pros and cons, both financial and programatic, it was decided to stay as is, with each community continuing to operate their own elementary school systems.

CONCLUSION AND ACKNOWLEDGMENTS

With the adoption of new programs, increasing communication and involvement by parents and the community, and with continued dedication of our school personnel, this past year has been one of moving forward.

I do not see a let up with this movement, and feel that there will never be a time when we can stand still. Constant evaluation and subsequent changing will continue to be our direction.

The effective functioning of a good school system is not confined to the efforts of a few. It takes the cooperation of many groups and individuals working together to provide a sound educational program.

To all of these groups and individuals, I sincerely extend my gratitude and appreciation for their efforts and contributions during the past year. Further, I wish to thank you, the School Committee, for your direction and assistance which was most valuable.

Respectfully submitted,

THE ANNUAL REPORT OF THE PRINCIPAL OF THE BEATRICE H. WOOD ELEMENTARY SCHOOL

Dear Mr. Keaney,

I respectfully submit my fourth annual report as Principal of the Beatrice H. Wood School, and eighth annual report as Principal in the town of Plainville.

Introduction: I shall try to summarize briefly those areas which have been traditionally a part of the annual report and to mention any significant items which occurred during the year.

Organization: The Beatrice H. Wood School continues to house grades three through six and a class for children with special needs. Our school enrollment, as of October 1, 1977 was 381, a slight decline from last year.

Curriculum Highlights and Innovations: Our Reading Curriculum Guide was modified and updated this past year. We are using a trasal series which includes Ginn, MacMillan, and Scott Foresman. Evaluation techniques include basal achievement test, Fountain Valley Support System, as well as teacher observation and criteria checks. Many thanks are due to the members of the committee: Mrs. Ruth Carpenter, Mrs. Doris Rae, Ms. Susan Shaughnessy, Mrs. Karen Saucier, Miss JoAnn Bourgeois, Miss Ann Sullivan, Mrs. Patricia Walls.

This past fall, students in the sixth grade shared an entire week of outdoor education at the Wep of Life Center in Forestdale on Cape Cod. Due to extensive fun raising, we were able to reduce the cost from \$50.00 per child to \$7.00. The children enjoyed themselves and profited from their unusual educational activities and experiences away from school and home.

The Junior Great Books Program which is a program for able readers in grades three through six that allows children to read and discuss selections from some of the world's greatest literature continues to be very successful.

A new program initiated this year was the Enrichment Program. Essentially, this is a program for children who are well above average in ability, and provides experiences, creative projects, and innovative materials and games to challenge the bright child. Thus far, there are 43 children from grades three through six enrolled in the program.

Last spring, in conjunction with our Annual Open House, the students presented a Science Exhibit and an Art Exhibit as well as a Gymnastics Demonstration. The evening indicated how versatile and creative our children and faculty are.

Also in the spring, the combined Glee Clubs presented a delightful musical entitled "Tom Sawyer".

Our supervisors in Art, Music and Physical Education have continued to provide varied and interesting educational programs for the children.

This year each class at the Wood School participated in at least one field trip. Some of the places visited included Boston Science Museum, Stonybrook Nature Center, Plymouth Plantation and Wax Museum, Edaville Railroad, Roger Williams Park, Sealand on Cape Cod, Hyannis Harbor.

We have continued to provide our Special Needs children with excellent services. Dr. Steven Rosenzweig, School Psychologist, and Mr. Barry Rachin, School Social Worker, have been most valuable in this respect.

Many informative and interesting Regional Principals' meetings were held this year. These afforded me an excellent opportunity to "compare notes" on regional as well as internal school problems and situations, and hopefully, benefit our school system.

Conclusions and Acknowledgements: Many individuals and groups have certainly contributed to making this year a successful one. I would like to specifically express my appreciation and gratitude to some of these people.

The entire faculty has certainly displayed a true sense of professionalism. They have worked diligently, and continually seek self-improvement by taking many specialized courses, as well as giving freely of their time outside of the normal school hours.

I would also like to express my gratitude to our four extremely competent aides: Mrs. Sylvia Botka, Mrs. Jean Henrich, Mrs. Miriam Lomasney and Mrs. Pamela Shearman.

The Cafeteria and Custodial Staffs deserve sincerest praise for the superb jobs done by them.

The Wonderful group of volunteer parents who have assisted in the library, the cafeteria, the classrooms, and the Great Books Program have made significant contributions to our school.

Mrs. Jeannette Pray and Mrs. Cathy Green have been invaluable in their roles as school nurse and school secretary, and to them a special thank-you.

In closing, I would like to extend my thanks and appreciation to Mr. Keaney, the Plainville Teachers' Association, and the Plainville School Committee, the P.T.O., and finally all the parents and children in Plainville. I feel that the entire community can be justifiably proud of their educational system.

Respectfully submitted,

Richard K. Cashman, D.Ed., Principal

COMMUNITY FAMILY SERVICE

To the Honorable Board of Selectmen:

Gentlemen:

After due consideration, the Board of Coordinators of Community Family Service decided to cease activities, on Feb. 1, 1978, as a volunteer referral and telephone counseling service.

Community Family Service was organized in 1972 by special education teacher Wendy Reynolds, school nurse Jan Pray, and former police chief Robert Faille to assist residents of Plainville to obtain professional counseling and therapy for mental health problems. With the cooperation of the Norfolk Mental Health Association, local school administrators, and the Plainville Board of Health, a satellite unit of the Leslie B. Cutler Clinic of Norwood was established in Plainville for the convenience of area residents. Volunteers were trained and, through the use of a telephone answering service, provided telephone counseling and/or referral service for 504 calls for assistance, as follows:

1972-73	103
1974	102
1975	165
1976	70
1977	37

Mr. Willis Scott, A.C.S.W., staff member of the Cutler Clinic continues to counsel clients in the unit office in the Town Office Building one full day and one half day each week, with additional time arranged when necessary. His schedule is usually full, but records show that the majority of clients now make appointments through the Cutler Clinic office in Norwood. The goal of the original Community Family Service Board appears to have been reached—i.e., people of this area are now better informed and know where to turn for help with emotional problems. As it seemed unwise to continue retaining a telephone answering service, such service was terminated on Feb. 1, 1978, and no funds are requested for fiscal year 1978-79.

We wish to thank the many individuals and agencies whose cooperation enabled us to bring better mental health services to our area, including the Mass. Dept. of Mental Health, Norfolk Mental Health Association, Leslie B. Cutler Clinic staff and board members, staff of Medfield State Hospital, Sturdy Memorial Hospital, Norwood Hospital, Plainville Board of Health, Plainville Police Dept. and the many volunteers who gave so much of their time to help others.

WHERE TO FIND HELP

Area residents wishing to make appointments for mental health counseling at the local office or at the clinic should call the Leslie B. Cutler Clinic, 214 Nahatan St., Norwood, telephone numbers 668-7880 or 762-6592. Fees are based on a sliding scale and should be discussed with the counselor.

Those needing assistance in other areas, such as advice on domestic affairs, evictions, Social Security and other government benefits and protection of human rights, or direct assistance for emergency needs or legal aide, should call Multi-Human Services, Inc. (695-7104) or walk-in to their offices at 233 South St. (the C.C.D. House for St. Martha's Parish). Hours are 9:00 A.M. to 5:00 P.M. Monday through Friday. Their qualified staff has graciously consented to refer clients requesting mental health therapy, as well as the direct service which they provide.

REPORT OF THE COMMUNITY HEALTH AGENCY, INC.

Community Health Agency, Inc. provides professional nursing, physical therapy, and home health aide services to area residents in their homes, our office, and in community clinics and programs. Occupational therapy and speech therapy were added to our covered services in December, 1977.

Visiting services to the ill or disabled in their homes are for physician prescribed therapeutic care. This may include wound dressings, rehabilitation procedures, injections, irrigations, evaluation of health care needs, and teaching of patients and their families about diet, medications, and various procedures which may help patients at home. These services may be paid for by various health insurances, Medicare, Medicaid, patients, and interest from bequests made to our Agency. In addition, the Town, through the Board of Health, assists with support for those patients without insurance or unable to pay the Agency fee.

Our Nursing Staff also provide many services to residents for the Plainville Board of Health which are free to residents. These services include (1) health promotion including teaching in relation to both physical and mental health, and for maternal and child health including premature infants; (2) control of communicable diseases as recommended by the Mass. Department of Public Health, through appropriate investigation, immunization, and follow-up of cases and contacts; (3) health screening and assessment for the prevention and control of disease. These services may be provided through visits in homes or our office, or in community clinics.

The following statistics show the volume of service provided in Plainville during 1975, 1976 and 1977.

ALL SERVICES IN PLAINVILLE:

Nursing Staff — Home and Office Vists	253	166	262
Physical Therapy — Home Visits	12	29	144

WHAT WE HAVE DONE AND FUTURE PLANS

1. Craft and Art classes continue successfully and are growing in the number of participants. We are fortunate as all of our teachers are still volunteers.
2. Day bus trips, as well as overnight trips, have been enjoyed and will continue. The number participating is gradually increasing.
3. The Hot Lunch Program from the School Department (from Sept. 12, 1977 through Dec. 23, 1977) was 931. On non-school days (Jan. 4, 1977 through Dec. 30, 1977) we prepared and served 1,174 meals at the Drop-in-Center, still at a cost of \$.50 per person, per meal. We had six cookouts this summer, plus exchange lunches and games with our neighboring Councils in North Attleboro and Wrentham. These exchange visits will continue.
4. We assisted North Attleboro on one mutual aid Mini-bus emergency.
5. Attendance at our Annual Christmas Party is growing. (First year, 52; last year, 99; and this year 131). Our Drop-in-Center Christmas Party a year ago was attended by 40, this year 73. The Drop-in-Center attendance from 7-7-77 through 12-30-77 was 3,291.

6. We now have our Mini-bus and a driver. The service week by week is gradually increasing. Our added program of Meals on Wheels for the shut-ins has just been established.
7. Monthly Blood Pressure Clinics are still conducted. Starting this March (1978) a clinic for those "Hard of Hearing" will begin. We anticipate having several Cancer Detection Clinics before this year ends.

Our sincere appreciation goes to other area Councils on Aging, local clubs and organizations, the cooperative merchants, Town Departments, our volunteer Registered Nurses, Council Members and Staff, as all contribute to our continuing success.

Again we look forward in making our report to you next year, as our continuing success will be our achievement.

REPORT OF THE HISTORICAL COMMISSION

To the Honorable Board of Selectmen:

Herewith is the report of the Historical Commission for 1977.

The awarding of plaques to eligible homes is on-going, and this year more were added to the growing list.

This past spring, a plaque was placed at the Old Cemetery on West Bacon Street, and was dedicated on Memorial Day by the Rev. John Bowmar. It was voted to place plaques at the first Post Office and the first Fire House.

The Commission held several meetings this past year with SRPEDD, regarding a survey of the square bounded by South, School, Spring and East Bacon Streets. SRPEDD's thought was to face-lift the buildings on the easterly side of South Street, remove the first house behind the Church on Spring Street, and the two houses on East Bacon Street, and create a modern mall through the center of this square, from East Bacon to School Streets, with stores on either side. SRPEDD's fee for this survey would have been \$12,000.00, 50% by grant, and 50% from the town. The town's share could be paid for in services by the various town Departments, dividing the work allotted between them to assist SRPEDD survey employees. After due consideration, the Commission decided that this expense and the work load for the various departments was not in the best interests of the town at this time.

**SOUTHEASTERN REGIONAL PLANNING AND
ECONOMIC DEVELOPMENT DISTRICT
(SRPEDD)**

During 1977, the Town of Plainville continued its membership in the Southeastern Regional Planning and Economic Development District, a planning agency set up by State legislation to serve the thirty communities in southeastern Massachusetts.

The District is governed by a Commission consisting of a chief elected official or a designee and a planning board member for each member municipality, and six minority and low-income representatives. Plainville's District Commission member is Everett W. Skinner. Plainville has also been represented on several advisory committees to the District Commission.

District staff under the guidance of the Commission and various committees prepares long-and-short-range plans for southeastern Massachusetts, including Plainville, on such subjects as land use, housing, transit, transportation, economic development, water quality and solid waste, as required and funded by the State and federal governments. Preparation of certain regional reports enabled communities to be eligible for federal and State funding.

However, most of the District's time is devoted to assisting cities and towns. Through the municipal assistance program each municipality receives a certain amount of time at no cost beyond the per capita assessment. Municipal assistance projects have included the following: Master Plans; Open Space and Recreation Plans; Subdivision Regulations; Landfill Inspections; Site Analyses for Proposed Development; Solid Waste Plans; Drainage Studies; Urban Renewal Plans; Home Rule Charters; Zoning Ordinances; Transportation Corridor Studies; Traffic Circulation Plans; and Industrial Survey Plans.

The District has also served as a conduit for information and assistance on federal programs such as Community Development Block Grants or Public Works Projects, and has enabled local officials to participate in state policy making in the Coastal Zone Management Program, the Offshore Oil Development Program, local growth policy and highway development.

During 1977, the District assisted Plainville specifically by preparing a plan to revitalize the Town Center; and performing a site analysis for proposed development along with information on Bureau of Outdoor Recreation and State Self-Help funds for conservation and recreation.

The District, in essence, represents the collective will of the cities and towns in southeastern Massachusetts. As the responsibilities and problems of municipalities become increasingly complex, the agency can provide the necessary technical assistance, insure cooperation among municipalities, and provide for a comprehensive approach.

REPORT OF THE CHAIRMAN

Looking back on the first year of completed construction and a school functioning unhindered, it's nice to be able to say that it was a good year. It was a year marked by low vandalism, a continued upsurge in school spirit and emphasis put on the learning experience. It was a year of cooperation and extra effort on the part of the whole staff.

Much has been accomplished to equalize offerings to both boys and girls, academically, vocationally and athletically. We are still seeking ways to put in tennis courts, which are so sorely missed by both the school and the communities. We are attempting to obtain land to expand our badly cramped athletic facilities. Studies are being made into curriculum revisions, graduation requirements and many other areas. Unfortunately, because of budgetary considerations, we have not phased in as many vocational programs as quickly as planned, but they will be offered as quickly as the budget allows.

King Philip-North continues to function smoothly while gradually changing to keep in step with the times. Extra effort is being made to coordinate and cooperate with the elementary schools to assure a smooth transition. Courses are being constructed to introduce students to the vocational as well as academic offerings at the high school and here also course offerings are being constantly evaluated and revised.

Overall this has been a very good and productive year and on behalf of the School Committee I want to express our appreciation to the administration, staff and the students of the King Philip District for their cooperation and effort in making it so.

Respectfully submitted,

JEANNE WRIGHT, Chairman
King Philip Regional School

ANNUAL REPORT OF THE SUPERINTENDENT OF THE KING PHILIP REGIONAL SCHOOL DISTRICT

It is with pleasure that I submit my sixth annual report as Superintendent of King Philip Regional School District.

It is gratifying to report that there is a slow but perceptible and continuing change in student dress, behavior, achievement and attitudes. Without question a secondary school district of 2200 students will always have its share of problems and there will always be a small number of students who create problems for other students, teachers and adminis-

trators. The important point is that we have emerged from the student unrest and difficulties of construction experienced from mid-60's thru the mid-70's.

The quiet on the campuses and the organization, order and new programs within the schools have contributed to an improved academic atmosphere that promotes sequential learning, student interest and school spirit. Having the proper programs, atmosphere and attitude coupled with a qualified and conscientious staff are qualities that will in the long run ensure success. The direction of movement is correct. It is important that we accelerate and enhance that movement.

The King Philip Regional School-North is presently conducting a curriculum study of all subject areas to evaluate programs and make changes necessary to meet the individual needs of our junior high school students.

Next September King Philip-North will be returning to a seven period day in place of the present six period day. This will mean complete continuity in the subject areas as they will meet every day instead of four out of five days as in the present schedule. The classes will be shorter but the continuity will more than compensate for the shortened periods as there will be no loss of actual teaching time involved.

The students will continue to have only three study periods per week with the possibility of some students with high levels of achievement being invited to participate in a great books program during one of the study periods.

The academic departments are studying the feasibility of having an additional level in each academic discipline for the coming year to insure more individual help for those students who are weak in basic areas.

The PACE Program (Practical Arts Career Exploratory Program) encompassing home economics and industrial arts is a career awareness program introducing the students to all of the areas available in our high school vocational program. These courses, as well as physical education, have been complying with state and federal legislation mandating both non-discriminatory as well as co-educational instruction.

Over the last several months all of the academic departments at the high school have revised and up-dated course syllabi in a performance objective format. It is hoped that this is a major step in making certain that students complete each of their courses with appropriate mastery of specific information and skills and in keeping with the stated outcomes of the courses which they have selected.

Mid-year and final examinations which were initiated in the last school year are being continued because they serve an important educational function at the high school level. This year teachers are concentrating upon improvement of testing and techniques to insure that all students spend a meaningful two hour period in bringing together the many aspects of their work over an eighteen week period. Students in all areas, including vocational, are being required to participate in the examination experience.

While school and class attendance continues to be something of a problem a revised attendance policy has reduced the paper work for everyone and has eliminated some of the barriers to acceptance. Parents are urged to call the school on the day of absence or to be certain that a note explaining the absence is received at the office by the second school day of return.

This year has seen an awakened interest in school-community activities. A Band Boosters organization has been formed and plans are in progress for an exchange concert sometime in the spring. The high school is experimenting with a school-to-home newsletter and a number of coffee hours are being planned to encourage parents to visit school and to discuss issues of mutual concern. The student hand-book has been given a face-lift and has been presented as a parent-student informational guide.

Students are also becoming more aware of the world in which they live. Foreign language students and teachers will be visiting Spain and France during the April vacation. Also, we are privileged to have a young visitor from Chile in our midst for a three month stay during the early part of the second semester.

In-service education of staff is a high priority. Large numbers of teachers have been served by on-site courses in vocational education philosophy. Additional opportunities are planned in Reading in Content Areas, Metric Awareness and CPR. Many in-service experiences (Metric Awareness for example) are being provided through the expertise of members of our own staff.

Plans for the future include continued emphasis upon curriculum improvement. Committees of teachers are at work developing recommendations for an advanced placement course, an interdisciplinary course or program and graduation requirements reflecting specific performance levels. While implementation of some or all of these recommendations may be a year or two away, they are high priorities among teachers and ad-

ministrators. Another high priority, and one which should receive increased attention during the next school year, is emphasis upon articulation and coordination of junior and senior high school programs.

The 1977-78 school year has been an excellent year for the vocational high school. Our efforts have been focused on three areas of interest; the improvement of existing vocational and occupational (academic students' vocational electives) programs, expansion of services to special needs students and to girls and investigating and planning future vocational and occupational programs.

The students of the vocational house building program completed the seventeenth house in the series of houses constructed for residents of the region. Currently the students are occupied with the construction of a house in Wrentham. The house building program has been and continues to be, one of the finest in the state. The success of our graduates speaks for itself.

The last graduating class counted among its members sixty-eight students from the vocational programs; Machine Shop Practice, Automotive, Carpentry, Home Economics and Distributive Education. Virtually all graduates were placed in their trades as opposed to a national average under 50%.

In August Mr. John Robbins, Assistant Director of Vocational and Director of Adult Education for the past twenty years resigned. His tenure was characterized by a genuine interest in the educational needs of the non-college bound student and a dedication to satisfying those needs. His leadership in this area of education will be greatly missed.

The school year opened with an enrollment of 436 students. It has been said that vocational education is the right of everyone who can profit from it and in no way should be limited or denied. The citizens of the King Philip Regional School District can justifiably feel proud of the school's response to this concept. With the completion of the new addition the King Philip Regional Vocational High School has made available to the youth in the area the opportunity to acquire the specific knowledge, skills and attitudes for mastery in Machine Shop Practice, Mill and House Carpentry, Automotive, Plumbing, Pipefitting, Electrical, Sheet Metal, Food Services and Drafting.

This year the adult education enrollment will be in excess of four hundred students in the various classes being conducted at the King Philip Regional High School, Vocational School and the King Philip Regional School-North.

There are thirty-four instructors teaching thirty-nine different classes and the classes are being held four evenings each week. The length of classes range from ten to twenty-five weeks and are from ten to one hundred fifty clock hours duration. Students successfully completing a class are issued a certificate of achievement.

This year the evening courses are divided into the following three different classifications:

I Vocational Apprenticeship:

Courses are being held for apprentice machinists. These courses are for men who are serving an apprenticeship or learning a trade and is held for 150 hours each year and the complete course covers four years. The course gives training in math, science, blueprint reading and history related to the trade.

II Vocational Practical Arts:

These courses are designed to help people in home making and a more satisfying use of leisure time. Classes being held are in beginning and advance sewing, knitting, rug hooking, decorative painting, floral craft and decorations, cake decorating, draperies and bedspreads, interior decorating and others.

III Academic Classes — Self Supporting:

The classes being held this year are in typing I and II, painting, tennis I and II, golf, woodworking, high school equivalency preparatory, office machines, co-ed physical fitness and speedwriting.

Several of the academic courses are offering credits that are acceptable to the State Department of Education, Bureau of Adult Education and Extended Services High School Equivalency Certificate Program and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Teaching within a very permissive society is not a simple task, but you greatly assist us by reducing the burden and help to ensure your children's success when you provide the materials, equipment, staff and programs young people vitally need today. Your financial aid, encouragement and support are necessary to our success and certainly very much appreciated. We trust that we can reciprocate by providing the kind of school system your children need to justify your sacrifices in behalf of regional education.

The school committee has actively participated and supported us throughout the period. Its leadership and cooperation were active and vital. I also sincerely appreciate the efforts of our students, their parents, teachers, guidance counselors, nurses, custodians, office personnel, cafeteria workers and administrators in all of our schools. The success of the school is dependent upon the interaction of all who teach, learn, serve and support the schools of the regional district.

REPORT OF WILKINS AIRPORT COMMITTEE

To the Plainville Board of Selectment:

The Committee was asked to investigate the possible uses for 30 acres of land owned jointly by Mr. Gerald Riley and Mr. Allen Riley, an area know as Wilkins airport, also the possibilities of achieving and the effect on the Town of the possible uses.

Broadly, the four uses are residential, commercial, industrial and open space. That part of the property bordering 152, about 5 acres, is zoned commercial and will likely be developed commercially — one professional building is now under construction.

The Committee spent little time considering residential development for numerous reasons, not the least of which is the adverse effect of new private homes on the tax rate and the expected increase in new home building in other areas of town partly due to increased land taxes.

We are now concerned with the approximate 25 acres which is zoned limited industrial (1B-100,000 Min.) However the Committee assumes the zoning can be changed if the Town wishes.

Both commercial and industrial development will increase the tax base if one assumes the enterprises viable, which of course is not always the case. Consideration should be given to the ever increasing traffic congestion in this area.

Most any Commercial business, to be successful, depends on public patronage during all or a large part of the day and evening hours. In other words, successful commercial enterprises of necessity increase traffic pretty much throughout the day. Office buildings would seem to be an exception.

Industry, on the other hand, would increase congestion principally at shift change times only. Salesmen and delivery trucks are, for both commercial and industrial operations, few in number compared to customers cars for commcial ventures. A large industry on perhaps 15 acres or another Englehard covering most of the 30 acres (25 plus another approximate 4 acres in No. Attleboro adjoining subject property and owned by the same people) would be a large employer and a steady tax payer and would seem the best use of this property if it is to be developed.

If the Town wants part of the area left open, presumably the western section, there are two possibilities:

1. Purchase & Funding
2. Gift

1. The Town can vote at the annual town meeting to appropriate the necessary money to buy the property (12-15 acres) and then apply through the Conservation Commission for funding by the BOR (Fed) 50%, Self Help (State) 25%. If this is successful it has been suggested that present owner might be willing to give 25% In which case the town would not have to pay anything.

The difficulty here is application for funding which has to go through the Conservation Committee which is not in a position to apply for funding at this time as their maps do not specify this land as a proposed conservation area and updating the maps will take time and money delaying the transaction. Also, a gift to an unauthorized organization would not qualify for a tax deduction for the donor.

2. Gift — If the owner can make enough on the sale of the land on route 152 and extending around the Shell Station to 106 (Approximately 15 acres) he might consider a gift of the remaining land (and ap. 4 acres in No. Attle. abutting the No. Attleboro Park) To the Town of Plainville or the Natural Resources Trust.

Although Mr. Riley did not file a Formal appeal for rezoning land abutting 106 lots from 1B to CA, this could be accomplished by going before town meeting and having a change in zoning voted by the Town.

If this development of commercial buildings was realized, the Town would be getting many times as much in taxes as they are from the whole field at present. This would release an area to the town that will adapt for use as a park or open space for the citizens of Plainville and surrounding towns to be used much as it is used today and has been for many years for circuses, radar controlled model airplanes, snowmobiles, baseball, horse shows other possible uses.

It is not known to whom this land would be given, the Town of Plainville or the Natural Resources Trust, which is Quite active and desirous of the property. Also, gift to N.R.T. qualifies for tax abatement. Care & maintenance of the property has to be considered.

A sketch of the property and a report from SRPEDD are attached.

Respectfully submitted,

Robert G. Ashman, Jr., Chairman

REPORT OF THE WAGE STUDY COMMITTEE

Board of Selectmen,
South Street,
Plainville, Mass. 02762

Dear Sirs:

The Wage Study Committee, voter approved and appointed in 1977 herewith submits its recommendations regarding the salaries of the elected and appointed officials of the town.

1. The Committee recommends no salaries be lowered in 1978.
2. Recommends an increase in the salaries of the Board of Selectmen from \$800/\$900/Year to \$1100/Year/per member.
3. Recommends an increase in the salaries of the Board of Health from \$150/Year to \$200/Year/member.
4. Recommends an increase in the salary of the Town Treasurer from \$2800/Year to \$5000/Year.
5. Recommends the position of Town Clerk be made full time and that the total salary under the agreement that secretarial work be done by the Town Clerk be raised from \$5450 to \$6400 annually.
6. Recommends that this report be adopted under the standard article in which the town report is accepted.
7. Recommends that this committee be discharged under that adoption.

8. Recommends a new committee be voted and appointed in 2 or 3 years for a similar study.
Since the Study Committee had no budget, it returns no funds.

Sincerely yours,

D. KELLY, Chairman

REPORT OF THE PLAINVILLE PERSONNEL BOARD

Honorable Board of Selectmen:

Gentlemen:

After a relatively quiet year, the Personnel Board was reorganized on August 23, 1977, and has, in addition to contributing to the settlement of various contracts as a member of the Wage Negotiating Team, embarked on an ambitious program of revising and updating present Personnel By-Laws, formulating a comprehensive four phase plan which includes:

1. Establishing and maintaining a central records system for Town employees.
2. Revising existing Sick Leave and Industrial Accident procedures to better protect the Town and its employees.
3. Establishment of a National Labor Relations Board approved procedure for discipline which would better protect the rights of both the Town and its employees.
4. Establishment and maintenance of written job descriptions for all classifications, including requirements and qualifications.

The Personnel Board would like to take this opportunity to thank the Board of Selectmen, Mr. Edward Serwinski, Mr. Robert Brothers, and Mr. Walter Sandland for the countless hours spent in assisting the Personnel Board.

Respectfully submitted,

REPORT OF THE ZONING BOARD OF APPEALS

To the Honorable Board of Selectmen:

We are pleased to submit the following report of activities of the Zoning Board of Appeals for the period July 1, 1976 through June 30, 1977.

There were eleven (11) hearings held, including eight (8) variances, one (1) appeal and two (2) permits.

The Board received from applications and paid to the Town Treasurer two hundred seventy five dollars (\$275.00). It spent from its established budget four hundred sixty eight dollars and ten cents (\$468.10) for postage, office supplies, clerical fees and hearing advertisements.

During the year, new regulations regarding gravel removal were incorporated into the Zoning By-Laws.

Respectfully submitted,

Gilbert Sandberg, Chairman

REPORT OF THE POLICE DEPARTMENT

Honorable Board of Selectmen
Town of Plainville
Plainville, Massachusetts

Gentlemen:

The primary goal of the department is still the establishment of lines of communication with the citizens of Plainville, but the obstacles are broad and tall.

Some of the obstacles evolve around the fear of unjust treatment, The unreasonable application of authority, harassment, and the ignorance of the law and judicial process, All of which are real issues that can be discussed and resolved.

These fears are not unique to Plainville, but are a social phenomenon that has beset the law enforcement community.

A small portion of the fear is justified, but in defense, a lot of the anxiety associated with dealing with police is erroneous.

The error occurs and is allowed to go unchecked because there is an insulation between the people and the police, and in a community this size there should not be any barriers.

A very strong effort will be made this year to communicate with the citizens of Plainville, but as in any reconciliation both sides will have to give.

An open invitation is extended to the citizens of Plainville to freely communicate with this office on any matters relative to the financial or tactical operation of their police department.

If we can communicate, we can resolve our differences.

In closing, I would like to express my gratitude to the members of this department for their efforts and accomplishments; and to all of the other municipal departments and their respective staffs for their assistance during the past year.

Respectfully,
Walter E. Sandland
Chief of Police

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

At the time of this writing, the Highway Department and the Superintendent have been extremely busy, and for this reason the report must be very brief. Anyone desiring more information may contact the Highway Superintendent.

Due to the heavy snow of the winter months, plus the unexpected storm in May, the Highway Department was kept extraordinarily busy.

The Old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

In conjunction with the Highway Department Program, drainage, catch basins, brush cutting along the roadside, gravel roads scraped and graveled, bituminous patching and maintenance of roads was realized.

With the HUD grant of \$20,000, the drainage system on Robin, Cross & Grant Streets and Lynn Avenue was begun. Thus far 1600 feet of 15" corrugated aluminum pipe, 600 feet of 12" corrugated aluminum pipe and 7 manholes have been installed on this project. Several existing catch basins have been connected into the new system. Additional materials are available and construction on the project will be resumed in the Spring when weather permits.

It has been a pleasure to work with and for the other Departments during the year.

As in previous years, as I submit this report, I wish to thank your Board, the Employees of the Highway Department, and all other Department Heads of the Town for their cooperation during the year 1977 & 1978.

Respectfully submitted,

Everett W. Skinner, Sr.
Superintendent of Streets

CONTROL OF INSECTS AND DUTCH ELM DISEASE

To the Honorable Board of Selectmen:

The appropriation for the year for this account was used to take down dead trees, caused by the Dutch Elm Disease, and for spraying for the tent caterpillar. Where wires were involved, Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

REPORT OF THE LIBRARY TRUSTEES

To The Honorable Board of Selectmen:

Gentlemen:

The report of the Library Trustees must include a plea for understanding from the people of the Town of Plainville. Every bit of available space is now in use in the library and many books must be moved upstairs to make room for current books to keep somewhat abreast of the Town. We have waited patiently for several years for a time when other needs would not place such a demand on the taxpayer, but that time never seems to come. Our budget was cut some this past year and we have really struggled to make ends meet. We have been able to make no repairs or purchases outside of real need. Mrs. Cobb has been extremely helpful in trying to cut costs to the bone.

During the year we had a circulation of 10,111, including magazines and records. Total circulation however does not include the many people who use the reference books and who do not remove books from the library. We have approximately 10,018 books and 243 records.

A total of \$174.00 was collected in fines which must be turned back to the Town.

Over 50 children participated in the summer program for reading.

We were fortunate to obtain the services of Mrs. Virginia Hastings to replace Mrs. Campbell.

Respectfully submitted,

ARTICLE 14. To see if the town will vote to change the zoning applicable to the following parcel of land from Zoning District IB to Zoning District CA as defined in the Zoning By-laws.

The parcel is described as follows: Beginning at a point in the southeasterly line of Messenger Street at the division lines between Zones CA and IB as shown on the Zoning Maps of the Town of Plainville; thence southwesterly along said Messenger Street fourteen hundred forty (1440) feet, more or less, to land of one Gucwa for a corner; thence turning and running southeasterly five hundred ninety-four and 24/100 (594.24) feet, more or less, to the division line between the Towns of Plainville and North Attleborough; thence turning and running northeasterly along said division line: between said Towns fourteen hundred fifty (1450) feet, more or less, to said zoning division line; thence turning and running northwesterly along said zoning division line eight hundred fifty-two (852) feet, more or less, to the point or place of beginning.

However otherwise described being all the land presently zoned IB in Parcel #2 on Assessor's Map #10, or do or act in any manner relative thereto. (% vote required)

ARTICLE 15. To see if the Town will vote to amend Section 2.7 of the zoning by-law, or take other action in relation thereto.

Proposed first paragraph to Section 2.7 to read as follows:

Section 2.7 Use Regulations

No structure shall be erected, altered, or used and no premises shall be used except as set forth in the "Use Regulations Schedule."

Construction or operations under a building permit or under a special permit shall conform to any subsequent amendment to this by-law unless the use or construction is commenced within six months after the issuance of such permit.

Symbols employed shall mean the following:

P - A permitted use

O - An excluded or prohibited use

A - A use specifically authorized by special permit as provided in this by-law. (2/3 vote required)

ARTICLE 16. To see if the Town will vote to amend the zoning by-law by adoption of a Section 2.9 or take any other action in relation thereto.

Proposed Section 2.9 as follows:

Section 2.9 Special Conditions Applicable to Special Permits

- a. Certain specific uses, buildings and structures identified in this and other sections of this by-law shall be allowed to be located, relocated, altered or substantially expanded in specified districts only upon the issuance of a special permit by the special permit granting authority, as designated herein.

Special permits shall only be issued for uses which are in harmony with the general purpose and intent of this by-law and subject to its general or specific provisions and only if the special permit granting authority finds that the following conditions are met:

1. The use is not noxious, harmful or hazardous, is socially and economically desirable and will meet an existing or potential need.
2. The advantages of the proposed use outweigh any detrimental effects, and such detrimental effects on the neighborhood and the environment will not be greater than could be expected from development which could occur if the special permit were denied.
3. The applicant has no reasonable alternative available to accomplish his purpose in a manner more compatible with the character of the immediate neighborhood.

The special permit granting authority shall have the power to impose reasonable conditions and modifications, including limitations of time and use, as a condition of a special permit, and may secure compliance or performance by requiring the posting of a bond or other safeguards.

- b. No special permit may be issued except in accordance with the conditions and requirements for each specific use as follows:

ARTICLE 21. To see if the Town will vote to renew water services as needed during construction of main and lateral sewers (Phase I) and raise and appropriate for this purpose the sum of \$300,000.00, and determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the treasury, by taxation, or by borrowing, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or to do or act in any manner relative thereto.
(if by borrowing, $\frac{2}{3}$ vote required)

ARTICLE 22. To see if the Town will vote to appropriate \$100,000. for engineering services and other costs to prepare construction drawings and specification for the construction of wastewater facilities as outlined in the "Intermediate Construction Phase" of the Town's April 1977 Facilities Planning Report, and determine the manner of raising and appropriating the said sum, whether by transferring from available funds, by taxation, or by borrowing, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or to do or act in any manner relative thereto.

These funds to be in addition to any funds previously voted for this purpose.
(if by borrowing, $\frac{2}{3}$ vote required)

ARTICLE 23. To see if the Town will vote to amend the Town By-Law, Chapter I by striking therefrom Section 1.1C in its entirety and adding Section 1.7 as follows:

1.7 A Finance Committee of nine members shall be appointed by the Moderator for three-year overlapping terms.

In addition, the Chairman of Selectmen and the Town Treasurer shall be non-voting members.

The Moderator shall be empowered upon the request of the Committee to fill any vacancy for the unexpired term.

The Committee may request the Moderator rescind an appointment to the Committee if the appointee has failed to attend two-thirds of its regular meetings held within the last six months; or has failed to attend five consecutive meetings.

No person may be appointed to more than two consecutive three-year terms. Or to do or act in any manner relative thereto.

($\frac{2}{3}$ vote required)

ARTICLE 24. To see if the Town will vote to elect at the next Annual Town Meeting, three Sewer Commissioners, one for one year, one for two years, and one for three years, in accordance with the provisions of Chapter 41, Section 64 of the Massachusetts General Laws, or to do or in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to amend the Town By-Laws, Chapter I by striking therefrom Section I-1C in its entirety and inserting in lieu thereof the following:

1.1C A Finance Committee consisting of:

The Chairman of Selectmen

The Town Treasurer

Nine other legal voters of the Town to serve; for three years, and the two new members for a one year term in their first elective year, and then for three years thereafter.

Said Committee shall have the power to fill any vacancy occurring in the Committee.

ARTICLE 26. To see if the Town will vote to direct the By-Law Review Committee to amend the Town By-Laws to prevent the Town Moderator from being an elected officer or employee of the Town.

The amended By-Laws to be presented for consideration at the Annual Town meeting of 1978.

ARTICLE 27. To see if the Town will vote to direct the By-Law Review Committee to amend the Towns By-Laws to increase the number of Selectmen to (5) five.
